## WHY DARIDRAN ARAYAN?

### What makes Daridranarayan Institute the best choice for your Child?

Daridranarayan institute began its journey in march 2021. It is an English medium co-educational school affiliated with the Central Board of Secondary Education, New Delhi. It is one of the schools run by the Daridranarayan Livelihood Promotion Council Ranchi Jharkhand, a non-profit making society registered License Under Section 8 (1) of the Companies Act, 2013 Registration Number 011274, Section 8 License Number 111369. The members of the society are renowned Educationists, Jurists, Engineers and Administrators. The school has excelled in providing a holistic education to its students, as

with other Daridranarayan International Public School in India and abroad. Daridranarayan institute is affiliated with CBSE and offers a national curriculum in an environment that fosters excellence in school life amidst wide open spaces. It also promotes children's natural ability by developing cognitive and thinking skills.

Apart from academics, Daridranarayan institute ensures that students are provided with opportunities to hone their co-curricular inclinations through sports, performing and visual arts, oratory, and other creative pursuits.

Admissions are open for classes from Pre-Nursery to Class VII. The school aspires to produce outstanding students in academics, social and ethical values, skills, and attitudes who can contribute positively to society. Thus, the admission process is designed to test both aptitude and attitude. At the same time, the test assesses proficiency in various subjects and reveals the child's problem-solving skills. Portions integrated into the admission process also examine the applicant's beliefs and value system based on their decisions and how they handle and negotiate the external world. This method of testing the students will allow us to look at them holistically.

**Together we will  
achieve new heights**

Teachers and Parents must work in tandem to promote a child's growth and development. They must create an environment that nurtures a child's intellectual, emotional, and physical well-being. Though a teacher can weave magic in a child's life, parents are equally responsible for magnifying their growth and development. Working as a team and understanding the importance of teamwork works wonders for a child's future.

# PRIMARY SCHOOL

## Academic & Emotional Development

The first few years of a child in a preschool determine their lifetime.

Our Nursery Programs is designed to provide the foundation for every child's future academic, social and emotional wellbeing. To create a learning environment that accommodates all individual learners, providing them with opportunities to maximize their inherent potential.

The programs provides high-quality education that develops children's language, literacy, numeracy, emotional well-being, universal values, and creative skills.

Our ultimate and cherished dream is to capture the latest and most innovative learning and teaching techniques and introduce them successfully in India and worldwide. The Plus in the Montessori curriculum adds extraordinary value to teaching and learning methodologies, making Daridranarayan institute the leading School in Primary education.

## THE CURRICULUM

## Montessori Lab

The Montessori Lab, now an integral part of our school, offers a dynamic, hands-on learning environment that supports the Montessori philosophy of child-centered education. Rooted in the principles of independence, exploration, and respect for a child's natural development, this space encourages students to engage deeply with self-directed learning. The lab is designed to cater to various age groups and developmental stages, offering tailored materials that spark curiosity and foster critical thinking.

# SECONDARY SCHOOL

## Academic & Emotional Development

Our constant endeavor is to direct each child to become a motivated lifelong learner by experiencing the joy of discovery and the ownership of results. Our curriculum has been structured to ensure that knowledge is imparted through a combination of resources and techniques, thus making the learning process exciting and easy to comprehend. Classroom teaching, multi-media workshops, AI and Robotics classes, co-activities and excursions help children gain insight and knowledge at various levels.

The contours of knowledge know no bounds. Daridranarayan institute endorses this belief and gives each student rigorous exposure to group activities, seminars, visual learning, and project work. The teaching process at Daridranarayan institute helps garner and harness each student's varying potential. The aim is to promote and intensify performance and encourage students to be forerunners in all fields.

Shaping Leaders

Our Senior School builds on the solid early childhood and middle school foundation. A carefully nurtured tree can finally yield the best fruits when equipped with a strong foundation. Senior school allows our students to grow into confident global citizens while pursuing their dreams through academic and co-curricular achievements.

At Daridranarayan institute , we believe in providing education beyond academic knowledge. Learning is a journey of self-discovery that helps individuals realize their unique abilities and passions. Daridranarayan institute allows students to explore various choices to discover who they want to be. Students participate in exchange programs and in-house events like Indian Model United Nations, Bodhi Tree Conclave and National Literary Festivals. Regular vocational guidance and counseling are provided at schools to help students decide on their future careers. We work very closely with parents. Parents interact with teachers and are personally involved in their child's development.

Daridranarayan institute provides a warm and comforting environment where students can ease into the rigouts of severe academic competition. Our teachers provide a robust support system and years of encouraging experience. Students develop their unique identity, confidence, and leadership qualities in these formative years as they prepare to enter a global world.

#### Integration of Technology for Paperless Work

##### Digi-Classrooms with Public Address System:

All primary, middle and senior wing classes have been converted into Digi-classrooms to enhance the teaching-learning process. Classrooms have been fitted with smart boards, and the teaching faculty uses innovative audio-visual content technology to empower students in their day-to-day teaching. All classrooms and activity rooms have been equipped with a public address system. It enables relaying important information and notices to the students and staff from the Central Console Room.

**CCTV:** The whole school campus, along with the school corridor, is under CCTV surveillance. More than 850 CCTV cameras are installed on the school campus and in vehicles. The school has dedicated staff members to keep track of the CCTV activities.

##### GPS, Speed Governors and Cameras in Buses:

The school has a fleet of more than 60 buses and eight wingers. All the buses are fitted with Cameras, Speed Governors and GPS.

**Wi - Fi Campus:** The whole school campus is Wi-Fi enabled. The internal servers help the school administrative block work, and the computers are placed in staff rooms on each floor.

There is a separate **Resource Room** where computers are placed for the teachers to use to enter marks, frame question papers, upgrade their skills and empower students.

**Academic Blocks:** The school has three separate academic blocks with more than 200 rooms: laboratories, activity rooms, staff rooms and coordinators' rooms. There are separate washrooms for boys and girls on each floor, and dedicated Housekeeping staff regularly clean the rooms with adequate RO water taps for drinking water. The blocks have spacious open areas and wide corridors with well-ventilated classrooms.
